

## Interior Designer Project Designer - Full Time Position

Job Type  
Full-time

### COMPANY BIO

B Morton Design is a full-service interior design firm located in Omaha, NE. Specializing in renovations and fully custom homes, B Morton Design strives to create functional and beautiful spaces for all clients. We believe design should be fun and work to create a collaborative and easy design process no matter the scale.

### ROLE DESCRIPTION

B Morton Design is looking for a full-time project designer to join our team! While it is preferred for candidates to have a degree in design, we are really looking for a hardworking individual that has a passion for interior design. In collaboration with the BMD team, project designers will be responsible for producing designs and presentations for an array of project types and scales. Designer will be required to manage and coordinate designs through all phases of construction, including furniture and final styling. Candidates must be able to multi-task and thrive in a fast-paced environment. Daily tasks may include but are not limited to the following:

- Interior Design presentations for all phases of design
- Provide consultation services and project site visits
- Design documentation used for bidding such as floor plans, furniture plans, ceiling plans, elevations, details, cabinet drawings, lighting plans, etc.
- Material specifications & sample ordering
- 3D modeling and renders
- Furniture selections
- Coordinate ordering, shipments, receiving and installation of furniture and products
- Attend client meetings for presentations
- Offer design feedback on all BMD projects – we are a team!
- Utilize local showrooms and reps for materials and product selections
- Attend rep meetings to view new and upcoming materials and products
- Document project information in our internal design software

### QUALIFICATIONS & EXPERIENCE

- Associate or Bachelor's Degree in Interior Design or closely related field
- 1-3 years related work experience
- Strong product and material knowledge
- Knowledge and experience with the construction and renovation process
- Proficiency in Sketchup and Adobe Design Suite (Photoshop & InDesign)
- Ability to read and interpret construction drawings including floor plans and elevations
- Positive and professional attitude with strong communication and organizational skills
- Ability to multi-task and meet deadlines for multiple projects simultaneously
- Works well individually as well as in a group
